OPENINGS IN PUBLIC HEALTH SERVICE AND NAVAL ESTABLISHMENT

It is expected that a new civil service register will be established in May for vacancies in the Naval Establishment and Public Health Service. Written examination will probably be waived, applicants being required to write a short thesis and fill out an application blank. Positions to be filled are those of librarians in the Public Health Service, naval hospitals and naval and marine stations.

Requirements for both services are practically identical and one list will be established to fill vacancies in either service.

Although the undersigned cannot speak with any official sanction, yet we personally believe that library service as established in the Public Health Service and the Navy will prove permanent. The positions

offer opportunity for administrative work, requiring handling of personnel, tact and judgment as well as knowledge of library routine.

The undersigned will be glad to answer any questions as to details. Copies of the civil service announcement of examination will be forwarded upon request. Copies may also be obtained when printed from the offices of the Civil Service Commission in the various cities.
